

## MediaPlus+

NEW from Chubbsafes is the MediaPlus+, a high quality data media protection cabinet bursting with features! Among them are up to 2 hours fire protection and generous capacity for all your storage requirements.

### Key Features:

- Easy slam action emergency closing in event of a fire.
- Generous capacity. Chubbsafes cabinets have been designed to give you maximum capacity for today's media.
- Quality data media protection for up to 2 hours tested to the highest international standards; UL 72 and EN 1047-1.
- Low weight ratio due to new advanced fire protection barrier material.
- Ability to customise by using internal fittings to optimise your storage capacity.
- A wide range of locking options can be fitted to your DataPlus+ cabinet to monitor access to your important information
